#### April 28th 2025 / Week 17

#### THE VIEW FROM THE BRIDGE

Uncertainty regarding the geopolitical roller coaster developments regarding Tariffs and USTR port fees continue to contribute to the general decline of S&P activity in all sectors (tankers, bulkers, container vessels, gas carriers, PCTC's etc.).

Asyad Shipping of Oman (previously Oman Shipping Co.) has used some of the proceeds from their \$333 mill. IPO cash injection to purchase two modern VLCC's the M/T "LANDBRIDGE WISDOM" (307,894 DWT/Built 2020 at Dalian SB in China - SS/DD 8/2025 - Scrubber fitted) and the M/T "LANDBRIDGE GLORY" (308,123 DWT/Built Dalian SB in China - SS 4/2029, DD 6/2027 - Scrubber fitted) for region \$205 mill. en bloc. These prices set new benchmarks for ECO VLCC's with the last previous sales were in June of 2024 when Bahri picked up 9 x VLCC's from Capital Maritime.

There have been very few MR tankers sold in 2025 and this week two sister zinc coated units were sold. The M/T "GULF ELAN" (46,894 DWT/Built 1/2007 at Hyundai Mipo in Korea - zinc coated - SS/DD due 2/2027) obtained region \$16 mill. basis drydock recently passed and the sister M/T "TAMIAT NAVIGATOR" (46,625 DWT/Built 8/2010 at Hyundai Mipo in Korea - zinc coated - SS/DD due 8/2025) was sold for \$18 mill. basis DD due.

Bulk carrier sales continued to be dominated by Japanese built tonnage and this week the Kamsarmax M/V "SHIN FU DA" (82,000 DWT/Built 2006 at Tsuneishi in Japan - SS/DD 5/2026) sold for \$11.4 mill. levels, compared to the December sale of the two years newer M/V "BETTYS DREAM" (82,000 DWT/Built 2008 at Tsuneishi in Japan - SS/DD due 12/2025) which sold at \$12.8 mill.

Have a good week.
